Dear Hank,

I received the announcement of your appointment with
three emotions:

Delight that our highest leadership recognized
talent, leadership, and a smashing backhand when
confronted with it,

Happiness for your noble success,

Chagrin of my future as a winning doubles player!
My game was just coming on, and I had just found
someone who seemed willing to carry me on an oc-
casional Sunday. Shucks, I was looking forward
to beating those rascals 6-2, 6-2, 6-2.

Seriously Hank, congratulations and the best of luck.
